---

Prices which include a sewn logo are usually positioned on the left chest, unless otherwise stated. For extra effect on your garments make use of the other positions available to have your logo embroidered.

Take advantage of our **"REPEAT LOGO"** special. Add your chest logo to the arms or back of neck for only £2.49 + VAT

A small logo at the back of neck is as effective as a large back logo but keeps your costs down. Large companies use this to great effect to make their name stand out and be remembered. Please ask an advisor for details.

For a logo to be remembered it needs to be seen at least 20 times

Your logo will be seen from all directions.

**One hour logo service is subject to stock availability, level of work and size of order.**
All prices are correct at time of going to press and may be subject to change.
